Speakers' Corner

CODART NEGENTIEN Madrid

19-21 June 2016

During CODART NEGENTIEN in Madrid CODART members will have an opportunity to give a short presentation of 7 minutes. The morning session on Tuesday, 21 June at Museo Thyssen-Bornemisza in Madrid will feature a plenary Speakers' Corner.

CODART members will be given the congress floor for seven minutes, during which time they can put (research)questions to their fellow curators, appeal to them for advice or seek partners for projects. After each presentation there will be time for reactions from the audience. The day's congress chair will keep an eye on the clock and lead the discussions.

Ideally, the presentations should tie in as much as possible with the theme of the congress, but this is not mandatory. Find the congress theme on the CODART website: www.codart.nl/689.
