Speakers' Corner

CODART 23 The Netherlands

29-31 May 2022

The morning session on Tuesday, 31 May in Gouda will feature a plenary Speakers' Corner. During CODART 23 in The Netherlands CODART members will have an opportunity to give a short presentation.

CODART members will be given the congress floor for **seven minutes**, during which time they can put (research)questions to their fellow curators, appeal to them for advice or seek partners for projects. After each presentation there will be time for reactions from the audience. The day's congress chair will keep an eye on the clock and lead the discussions.

Ideally, the presentations should tie in as much as possible with the theme of the congress, but this is not mandatory. Find the congress theme on the CODART website: [here](#).

How to apply

Please fill in the online application form on the CODART website **before or on 30 March 2022**. CODART's program committee will evaluate the proposals and select the speakers, who will be given time on the podium.

Before the congress

If you choose to include a **PowerPoint** presentation, please keep it short. It must be sent before **23 May 2022** to events@codart.nl.

At the congress

Presentations should be timed to last **seven minutes**. Speakers will be given a sign just before their time is up; presentations are not allowed to exceed seven minutes. Afterwards speakers will be given a short period to answer questions from the audience.

If you would like to test your PowerPoint presentation beforehand, please report to our webmaster in the auditorium between 8:30 and 9 am.

After the congress

Did your presentation get results? Did you make any useful contacts, solve a problem, or receive valuable feedback? We would like to hear from you, so we ask that you submit a short evaluation of your experience before **16 June 2022**.
