

GUIDELINES - Speakers' Corner

CODART 27 Ghent

15-17 March 2026

The morning session on Tuesday, 17 March, will include a plenary Speakers' Corner. During this segment, CODART members have **seven minutes each** to take the congress floor. They can use this time to pose research questions to their fellow curators, seek advice or solicit partners for upcoming projects. While there are few limitations on content, each participant must conclude their contribution with a concrete question. Following each presentation, there will be an opportunity for audience responses.

How to apply

Please fill in the online application form on the CODART website **before or on 12 January 2026**. CODART's program committee will evaluate proposals based on the relevance, clarity and potential for discussion of your question or project. Selected speakers will be given time on the podium.

At the congress

Presentations should be timed to last **seven minutes or less**. Speakers will be given a sign just before their time is up; presentations are not allowed to exceed seven minutes. Afterwards the audience is given time (ca. 3 minutes) to respond to the presentation or ask further questions. The day's congress chair will keep an eye on the clock and lead the discussions.

After the congress

Did your presentation get results? Did you make any useful contacts, solve a problem, or receive valuable feedback? We would like to hear from you, so we ask that you submit a short evaluation of your experience before **9 April 2026**.
